

Introduction Video

Create a video of yourself. On the video, each delegate should share 5 things about themselves. Delegates should record the introductions and share the video at the next meeting. The video can also be posted on the delegation's Facebook page for everyone to watch in order to get to know each other. The video can also be shared with blended delegations!

1. _____

2. _____

3. _____

4. _____

5. _____
